

## Nomad - Bug #1234

### Generic scan list not refreshed

20/02/2012 03:34 PM - Mutti, Paolo

<b>Status:</b>	New	<b>Start date:</b>	20/02/2012
<b>Priority:</b>	High	<b>Due date:</b>	
<b>Assignee:</b>	legoc, yannick	<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Spent time:</b>	0.00 hour
<b>Description</b>			
<p>When creating a generic scan on a sample environment controller the list of available possibilities is not refreshed to take into account possible modifications on the available controllers. Moreover, the scan is started even if the controller is disable, generating a numor file containing nonsense. Last problem, one can not restart the server if the generic scan saved when leaving the server contains a controller that is disable when restarting it.</p>
