

vTAS - Support #565

Control of all instrument parameters

18/02/2010 03:59 PM - Boehm, Martin

Status:	New	Start date:	18/02/2010
Priority:	Normal	Due date:	
Assignee:	Boehm, Martin	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Actualisation of all input parameters of the instruments, especially the angles A2, A4 and A6. Check, if these values produce convenient values of the physical parameters. Especially, when instruments are changed.
